ANOTHER GREAT COMMUNITY BY WESTCREEK DEVELOPMENTS

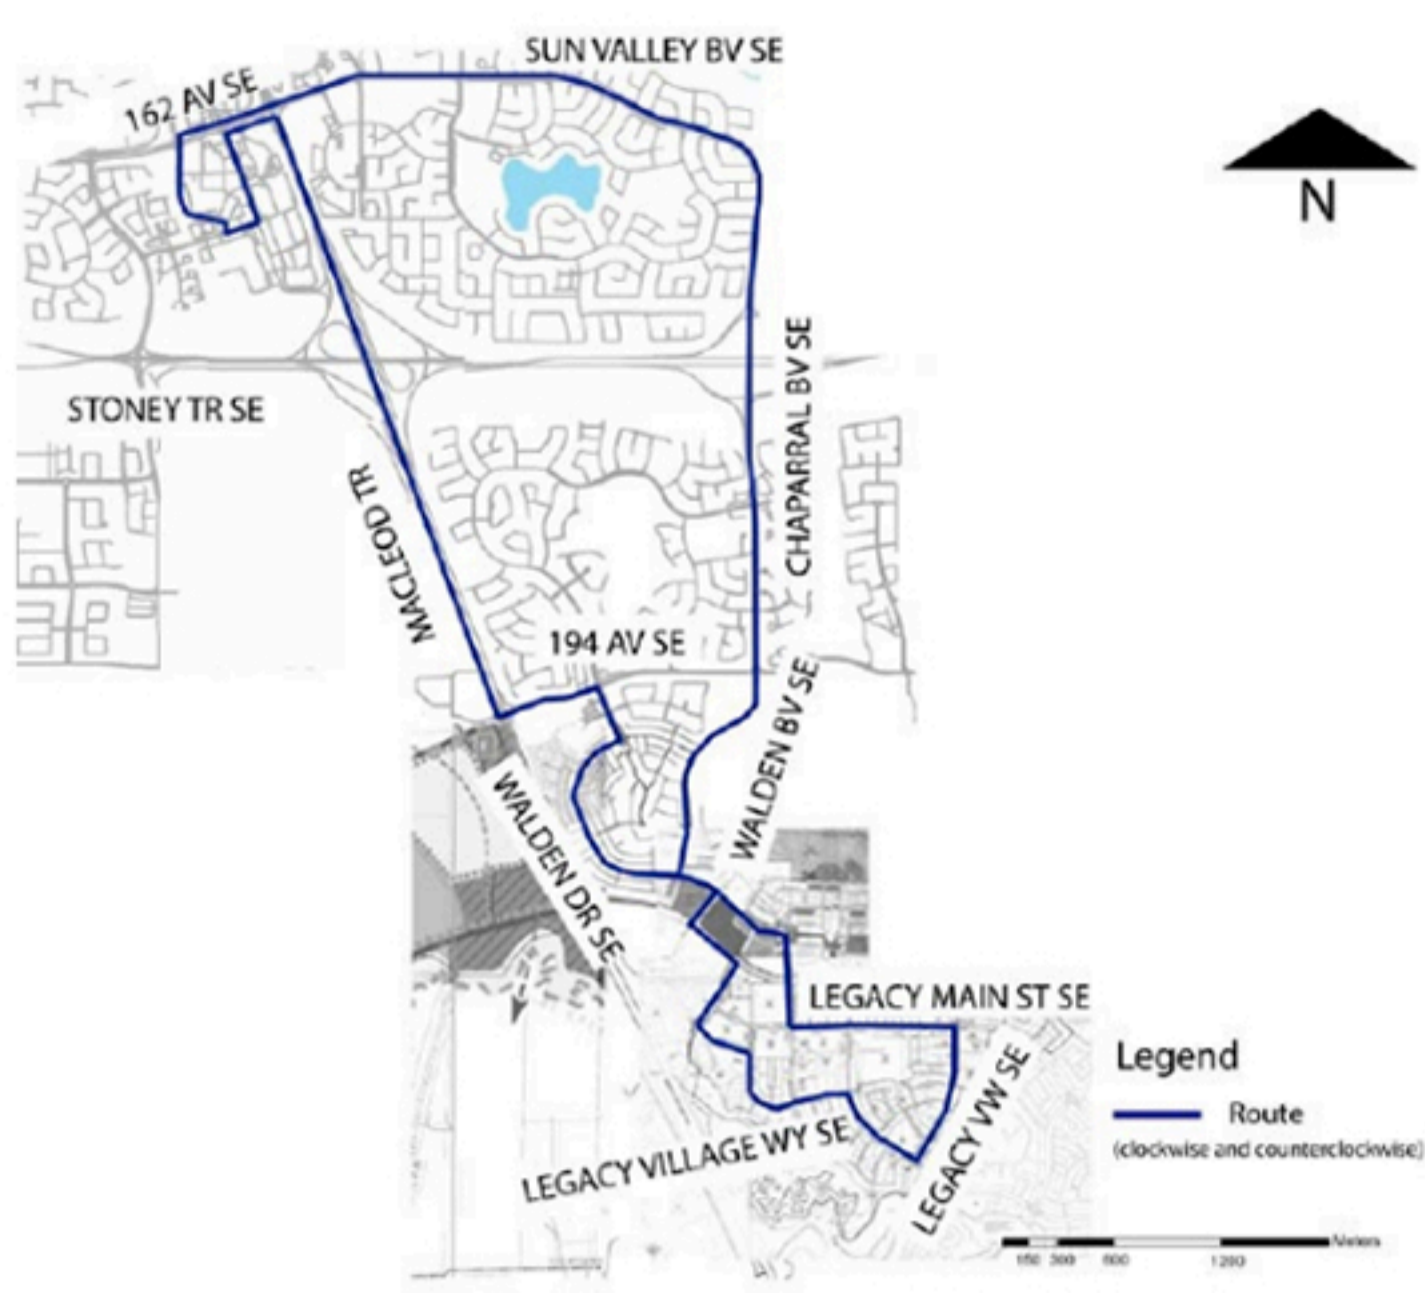

YOUR LEGACY

RESIDENTS ASSOCIATION

LEGACY IS PLEASED TO WELCOME CALGARY TRANSIT SERVICE BEGINNING IN 2017!

Through the partnership of WestCreek Developments and Calgary Transit, Legacy will have bus service beginning in 2017. Legacy is one of the only new communities in Calgary to have Transit services in their community. Please visit the Calgary Transit website in 2017 for route timing and stop information. Below is a map of the route bus service will follow in Legacy.

LEGACY COMMUNITY GARDEN

Spring has sprung and Legacy is pleased to announce that the Community Garden will be opening in May 2017! We encourage residents to meet their neighbours and bring together the community by creating an organic garden. For more information on the Community Garden and how to join visit www.legacyresidents.ca/garden

PLAYGROUNDS

Did you know? Legacy has 3 playgrounds already built that all have rubberized surfaces, to protect the knees of every fearless adventurer who plays on them. Legacy will have 8 playgrounds by the end of the community build out.

LEGACY PANCAKE BREAKFAST

The Legacy Residents Association will be hosting a pancake breakfast on Saturday, July 8th from 9 am - 11 am at 73 Legacy Mount SE. This is a free pancake breakfast open for anyone to attend! There will be a country music band, free pancakes, coffee and eggs, as well as a hayride through the community! Visit www.legacyresidents.ca for more details!
