Legacy is celebrating the grand opening of it's newest Show home parade of Single Family Homes! We believe the best way celebrate this was to bring together our current residents who love and enjoy Legacy!

Legacy is a place where the city meets the country. Where the people living here are a community. Do you own a business and live in Legacy? Or a surrounding community? We are looking for local businesses, entertainment, and public or private services to be in the market! If you are interested in performing, selling or meeting residents, come celebrate with us.

September 16th share your organization with event attendees. Retail space is free, a table and chairs will be provided to each booth. Submit the information below to be considered for the Legacy Market. All vendors will required to arrive and be fully set up by 12:30pm.

If you sell food, you are required to be aware of the Food Handling Requirements from Alberta Health Services. ALL VENDORS require market insurance. Alternatively, vendors should add West Pine Creek Developments as an additional insured to their existing insurance plan. Proof of A.H.S certification and insurance may be required.
