Welcome to Legacy's Community Garden!

Legacy's many green spaces bring families together – play, explore and discover!

Legacy's Community Garden was built to enhance the community and provide enjoyment for every resident. Donated by WestCreek Developments, this space has been developed with the goal of increasing biodiversity, beautification and community involvement. This garden is a volunteer driven, non-profit organization maintained by the Legacy Residents Association.

The Garden is located at 292 Legacy Circle SE
